**When We Give,  
He'll Give Too**  
Today I froze some vegetables,  
It was a first for me;  
I picked them from the garden  
We planted recently.

I purchased some containers  
But they were far too few,  
For since I shared the firstfruits,  
My garden grew and grew.

I thought of God's great promise:  
When we give, He'll give too;  
I've realized this promise  
In the garden that He grew.
