Local News

Sick:

Michael Collins surgery was successful. The damage was more extensive than they expected but they were able to repair it. He is alert but feeling a lot of pain. He should be moved out of ICU soon.

Wayne Milner is feeling much better. He had stop taking his prescription for antacid. He is back on it now.

Lyn Milner is still waiting for the results from her biopsy.

Howard Cole has had a problem with a rash also. They have taken a biopsy from him too.

Travelers:

Obviously we have no travelers. We are staying at home. We are very thankful we were able to have the Tulare Meeting before we were all told to stay home.
