COVID report:

All the reports of our COVID victims are good. **Marcus Brannon and Felicia Collins** seem to have the strongest cases right now. **Marcus** is also suffering from a torn muscle from a work accident. **Felicia** is having good days and bad days. Recovery is slow.

Pat Borgstrom's surgery went well. The doctor believes he got all the cancer. She says she is not in pain and just has a little soreness.

Travelers:

Dyson & Meghan have begun their move to Illinois. We wish them well.
