Local News

Sick:

Jana Lee is recovering well. She will not have to have chemotherapy. She will see a radiologist soon.

Judy Collins saw her radiologist last week. Everything is good and she will have a follow up mammogram on April 1.

Les Downing is having physical therapy at the acute care facility and looking forward to going home.

Pat Borgstrom has finished her radiation therapy and has moved on to taking care of other health problems.

“These are murmurers, complainers, walking after their own lusts; and their mouth speaketh great swelling words, having men’s persons in admiration because of advantage.”

Jude 16
