### Local News

#### Sick:

**Les Downing** is now in a rehab facility in Tulare. Because of his heart issues he couldn't continue at the acute care facility. **Helen** is suffering from bad arthritis in her hands. We pray the doctors find a way to ease her pain.

**Mattie Langford** is doing better. She has a physical therapist and occupational therapist coming to the house. She has been able to walk some. Judy, Felicia and the kids visited her on Friday. It was good to see her more comfortable.

**Shirley McLean**, Matthew's mother, will be having breast surgery to remove a small malignant mass. Prayers are requested.

"Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God."

Philippians 4:6
