Local News

Sick:

Wayne Milner suffered a mini stroke 2 weeks ago. He seems to be doing okay.

Kyle Johnson, who was a member of the Tulare congregation in the past, was living in Kharkov, Ukraine, with his wife and daughter. He has lived there for 4 1/2 years. They have made it to Poland and will be going to Italy for now. He has been posting on FB what they are experiencing. Please keep them in your prayers.

Gary Rowe, the father of Dedria Kurtz's friend, passed away last week after suffering a stroke several months ago.

Karen Campbell received her strong chemotherapy last Monday and began the bone marrow transplant. She has had a rough week but should start feeling better the end of this week and hopefully will go home the 14th or 15th.

Travelers:

We are thankful for all our safe travels!
