Sick:

Felicia Collins' procedure went well. She had a small growth against her appendix. They were able to get it all. The biopsy showed it was precancerous. Because they got it all she won't have to do anything for a year.

Barbara Ezzahir is new to our congregation. She has asked us to pray for her. She has severe seizures which are life threatening. Please add her to your prayers. Please continue to pray for **Bryan Christmas** as he battles cancer.
