Local News

Sick:

Cindy Steele has tested positive for HLH disease. It causes the immune system to overwork and attack the body. She will see a hemotologist in June or sooner to decide on treatment and what damage may have been done.

Judy Collins' laser treatment was a success. She can see clearly again since about 3 years ago.

Traveling:

Please keep all our travelers in your prayers for safe travel this weekend.

Today is the last day of our meeting! We have had a great time in worship and fellowship. Thank you to Marcus Brannon who brought us wonderful messages. David Bright and Brian Malony also did a great job with their devotionals.

"I waited patiently for the Lord; and he inclined unto me, and heard my cry."

Psalm 40:1
