Sick:

Cindy Steele received a mostly good report from the hematologist. The expect a full recovery.

Jaden Mahar is doing better every day. The hardest part is changing his bandages on his arm. His mother, Tiffany, is a nurse and taking care of that. His face is healing nicely. They are very thankful for the prayers.

Traveling:

The **Brian Collins family** will be going to San Diego this week. Brian has a business meeting and Felicia and the kids are meeting Felicia's sister and her kids there for a few days.

"If ye then be risen with Christ, seek those things which are above, where Christ sitteth on the right hand of God. Set your affection on things above, not on things on the earth."
