**Local News**

**Norma Olmos** and her students moved Friday morning to Lotan, a small community to the south of Israel. They will stay there until they find a safe way out. They are okay but very tired.

**Sick:**

**Kent Rogers** reports all areas are continuing to decrease in size. He just had another scan. They will continue with the treatment they have prescribed for now. He will be scheduling another consultation with the neurologist at MD Anderson to make sure he is not having a negative auto-immune response. He had his 6th infusion last Wednesday and it went well. They are very thankful for the prayers.

**Traveling:**

**The Collins Family** will be going to Tulare next Friday and Saturday for their meeting. They will be back for Sunday.
