Local News

Sick:

After another surgery to remove excess blood, **James Collins** was released from the hospital on Tuesday. He is in a great deal of pain but is glad to be home to recover.

Rick Lewis received a good report from his eye doctor this week. His left eye is now 20/30, and his right eye is 20/50. He had minor surgical damage in both eyes, which the doctor repaired, and expects his vision to continue improving. He will have a follow-up appointment in one month.

Traveling:

Judy Collins is racking up the miles! After spending a few days in Denver, she flew to Arkansas on Thursday, then continued to Missouri for the Langford family reunion. She will return Wednesday.
