

Local News

Sean & Robin Blaydes have moved into a new home in Chatsworth. They have decided to sell Robin's family home. We wish them well in this new adventure.

Sick:

James Collins has had a very good week. He went back to work on Wednesday and the physical therapist on Friday was amazed at his progress. We had 3 successful heart procedures last week. **Phil Britton, Richard Howard and Mark Pratt** are all doing very well.

Wilma Carr, Julie Atkin's aunt, has had a rough week. She is battling dementia and a kidney stone and is in the hospital. She will be going to a care facility when she leaves the hospital.

Richard Brannon's scan showed swollen lymph nodes in his neck, behind the clavicle and in the groin. He will be having biopsies and will meet with the oncologist on September 14.

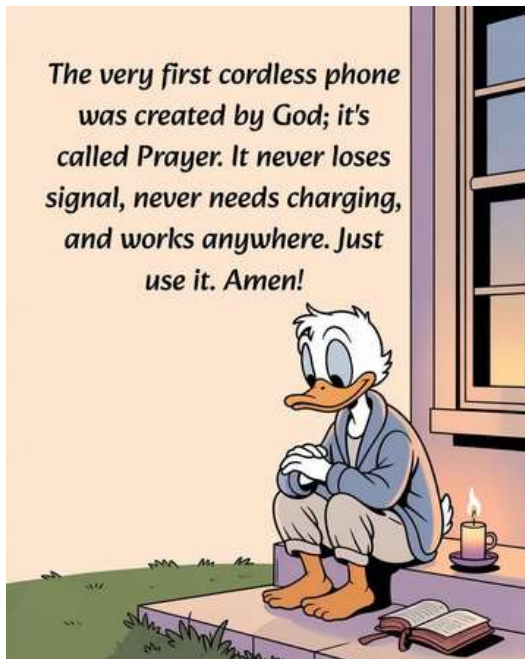

We were saddened to hear of the passing of **Wally White** who died suddenly on Friday. He is the son of Ray and Myrna White and a friend of Brian's from Sooner Boom. Please keep the family in your prayers.

called Prayer. It never loses

use it. Amen!*
