Sick:

Wilma Carr, Julie Atkin's aunt, has been moved to a rehab facility. She is still waiting for a permanent placement. She will also need a procedure to break up her kidney stone.

Richard Brannon will meet with the oncologist on September 14.

Robert Fraser, Felicia Collins' brother, has been in the hospital. He has been diagnosed with bone cancer. He will find out his prognosis when he meets with his oncologist.

Traveling:

"My son, keep my words, and lay up my commandments with thee. Keep my commandments, and live; and my law as the apple of thine eye. Bind them upon thy fingers, write them upon the table of thine heart. Say unto wisdom, Thou art my sister; and call understanding thy kinswoman: That they may keep thee from the strange woman, from the stranger which flattereth with her words.

Proverbs 7:1-5
