Local News

Sick:
Monica Sheek had surgery on her hand last Thursday. She had a painful day but is doing better. Recovery will be about a year. Monica's son, **Jake Sheek,** has been diagnosed with skin cancer. **Brandon Milner** will get the results from his tests on Wednesday. They will discuss treatment. Wayne and Lyn have had a tough time with family medical issues.
Traveling:

"To every thing there is a season, and a time to every purpose under the heaven: A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted; a time to kill, and a time to heal; a time to break down, and a time to build up; a time to weep, and a time to laugh; a time to mourn, and a time to dance;..." Ecc. 3:1-4
